

WSSA WEST CENTRAL DISTRICT Annual Report - June 2012

The West Central District of WSSA is comprised of the following counties:

Buffalo	Eau Claire	Pepin
Chippewa	Jackson	Pierce
Crawford	LaCrosse	St. Croix
Dunn	Monroe	Trempealeau
		Vernon

Per the WSSA Constitution, Article II, Section 1: WSSA is a state organization that has local organizations throughout the State of Wisconsin, titled District Associations, which are comprised of people interested in the welfare of those individuals who are in need of human/social services.

District meetings have not been held due to lack of participation and ability of members to attend . Regional trainings were scheduled, however, again were cancelled due to low attendance caused by budget cuts and increased caseloads.

If you reside and are employed by a municipal, county, state or federal human service agency or institution, whose function is to improve the well-being of the people in their local communities and throughout the State of Wisconsin (WSSA Constitution Article IV, Section 3), please consider becoming involved. You can represent West Central District on a committee or serve in a WSSA state position.

The benefits of being a member of WSSA include professional development, networking opportunities, leadership opportunities plus much more. However, we need members who are willing to get involved!

YOU can make a difference! If you reside in one of the counties of West Central District, please consider serving. Call or e-mail me for more information. I look forward to hearing from you!
