

To the Members of the Wisconsin Social Services Association

Well this year has come and gone. I wanted to take this opportunity to thank all the members that supported the Association this past year. Without the membership WSSA would fail to exist. And without the dedication of many of the members the work of the Association would not get done.

I have enjoyed being your president this past year. I stated at the organizational meeting it would be a tough year. That prediction held true. Next year will be even tougher but I am committed to doing my part to work for the Association, I hope you will continue to do so as well.

I also feel that next year and the years following are going to be very interesting and challenging. I believe WSSA can have a major influence in the Long Term Care issues that will be facing the State. In the past WSSA has always had a strong Long Term Support Committee, this year the committee was not supported. I believe that the next two years this committee will have a lot work to do. I would urge anyone in the Association who has an interest in Long Term Care to be on that committee.

So I wish to bid you good-bye as your president. It will not be good-bye to the Association. I will give my support to your new president and the Association as a whole.

I look forward to seeing many of you at the conference June 4, 5 and 6 at Ho-Chunk.

Thank you for your support

Dennis Wittig
President
Wisconsin Social Services Association
